

## Autumn

*Loving, very active terrier. Best as an only dog. She loves to be petted, especially while warming your lap. Don't let that fool you though - she is ALL terrier and is very active when she isn't snuggling. Although she is mostly housebroken, she still has a lot of puppy in her and needs a patient, gentle hand to help her with manners. Autumn would be best in a home with previous terrier experience. She is okay with other dogs, likes to chase cats; she will likely be best as an 'only child'.*

### Go-Getter

Want to get more exercise? Action is my middle name. My 'let's GO!' lifestyle will keep you motivated to get outside and move. I've got tons of energy, and just like the sun, I'm burning and working 24 hours a day, seven days a week. I'll run for miles, chase a ball for hours, and still want to play at the end of the day.
